It is with great pleasure and a profound sense of gratitude and appreciation to Allah SWT and the blessings to the Prophet, Muhammad SAW that I stand before you, on behalf of the Local Organising Committee, to express our sincere appreciation to everyone who has contributed to the success of this important occasion.

First and foremost, we give thanks to Almighty Allah for granting us life, good health, wisdom and the opportunity to gather together in peace and harmony. We are deeply grateful for His guidance throughout the planning and execution of this programme.

Our special appreciation goes to the Vice-Chancellor and the entire University Management for the support, encouragement and confidence reposed in the Department and the Local Organising Committee. Your commitment to academic excellence, research, innovation and knowledge development has provided the foundation upon which programmes such as this can thrive.

We also sincerely appreciate our distinguished keynote speaker Sheikh Nurudeen Lemu OON, invited Lead Paper presenter, Sheikh Tajudeen Adigun OON, all paper presenters and discussants for sharing their knowledge, experience and insights. Your intellectual contributions have enriched the programme and provided participants with valuable perspectives that will continue to stimulate further research, reflection and collaboration.

Our profound appreciation goes to all participants who took time from their various commitments to attend this programme. Your presence, questions, contributions and active participation have greatly enhanced the quality and success of the event.

We equally acknowledge and appreciate the efforts of the various committees, members of the secretariat, technical team, ushers, rapporteurs, security personnel, protocol officers, media team and all other individuals who worked behind the scenes to ensure that everything went smoothly. VOTE OF THANKS (CONTINUED)

We also appreciate our supporters and well-wishers whose assistance, in whatever form, contributed significantly to the successful organisation of this programme. We are grateful for your commitment, prayers and all the support.

As we bring this programme to a close, we hope that the knowledge shared, ideas exchanged and relationships established will not end with this gathering. Rather, we hope they will lead to further research, meaningful partnerships, practical initiatives and lasting contributions to our university, our society and humanity.

On behalf of the Local Organising Committee, I sincerely apologise for any shortcomings that may have occurred during the course of the programme. Whatever imperfections may have been experienced were not intentional, and we appreciate your understanding and patience.

Once again, we thank everyone who has supported us in one way or another. Your presence has made this occasion meaningful, memorable and successful.

May Almighty Allah reward you abundantly, bless your endeavours, grant you safe journeys to your various destinations, and continue to strengthen our collective commitment to knowledge, service and human development.

Thank you very much, and may Allah bless you all.
